Not your average Body Cream

Healthy, non-greasy formulas created with 100% organic herbs and nutrient rich oils. Friendly to sensitive skin. Healing herbs aid in the proliferation of healthy skin cells and collagen production. Available with fragrance and essential oils for everyone.

Aloe Vera: Light weight moisturizer with healing properties for sensitive and sun damaged skin. Contains vitamins B1, B2, B6, C, E, folic acid and beta carotene.

Calendula: Proven anti-inflammatory herb, stimulates growth of healthy tissue and collagen production. Evens the overall skin tone.

Chamomile: Proven anti-inflammatory herb with natural anti-oxidants and anti-histamines. Proven antibacterial herb.

Jojoba Wax: Moisturizer with extended shelf life. Qualities are similar to the natural sebum created by our own skin.

Avocado Oil: Hydrating, light weight moisturizer soothes skin and plumps up fine lines. Beneficial in reducing age spots and scarring. Significantly increases collagen production in the skin. High in Vitamin A, D, E, and Lecithin.

Meadowfoam Seed Oil: Nourishing, moisturizing and rejuvenating, emollient oil with stable triglycerides that extend the life of other oils.

Sunflower Oil: Wealthy in Oleic acids, high in Vitamins A, D and E.

Soybean Oil: Rich in protein, replenishes the lipid barrier. Regenerative effect on the cutaneous tissues due to the presence of unsaturated fatty acids.

Sweet Almond Oil: A light oil, easily absorbed into the skin. Rich in protein and emollients. Superior moisturizer with a long shelf life.

Olive Oil: Superior skin nutrients aid in cell regeneration. The presence of flavonoids and oleanolic acid stimulate components of the connective tissue.

Vitamin A: Healing and soothing antioxidant. Supports cell division and cell maintenance.

Vitamin C: Antioxidant essential for wound repair. Supports Vitamin E and collagen production. External use is proven to help protect the skin from sun exposure.

Vitamin E: Prevents scarring, maintains integrity of cell membranes, reduces wrinkles.
